

CONTEGIACOMO AND ASSOCIATES - ARCHITECTS

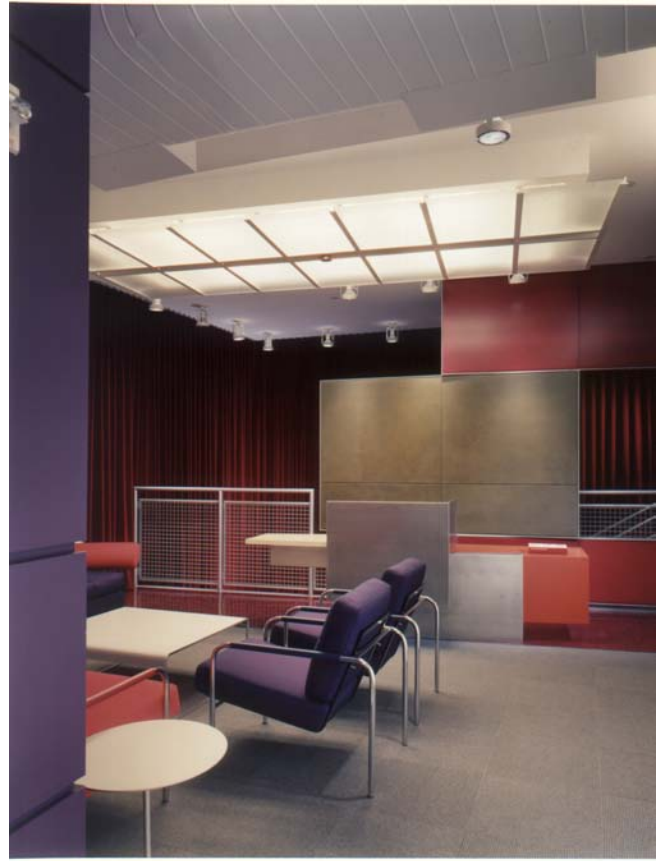

SFX - Clear Channel Entertainment - Completed 2002.

Contegiacomo worked with GKV and SFX / Clear Channel Entertainment, the largest entertainment company in the world to design their dynamic new Headquarters located in the heart of NYC at Times Square and 42nd street. In the historic Candler Building we designed and built 24 floors with 5 departmental themes for each of the use groups, interconnecting stairs, executive suites with a state of the art theatre, boardroom, teleconferencing room and executive offices. The total project was 220,000sf.
